Cable News

TAFT'S ANSWER TO ROOSEVELT IS DENIAL

(Associated Press Cable.)
WASHINGTON, D. C., Apr. 28.—

Coming direct from the White House today, President Taft's answer to the accusation made by former President Roosevelt that, while secretary of war, Mr. Taft had sanctioned the decision to drop the prosecution of the Harvester Trust, created a sensation in the political field.

There was never any question of approval or disapproval of the policy adopted by the Roosevelt administration by members of his cabinet, especially on the matter of delaying the prosecution of the Harvester Trust, according to the President's statement. The matter did not come up before the cabinet for discussion, but the official family was merely informed that the decision had been reached. No one, certainly not the then secretary of war, was called upon to express an opinion on the subject one way or another.

The President's reply to the Roosevelt charge caused not a little excitement among the politicians in the Capital today. It was a direct contradiction of the statements made by the colonel and practically said the former President was not telling the truth.

After giving out the statement President Taft left late this evening over the Pennsylvania railroad for New York and Boston, where he will continue the campaign in New England, interrupted several days ago.

REBEL GUNS PLAY HAVOC IN MEXICO

TUCSON, ARIZ., Apr. 28.—The town of Tepic, Chihuahua, has been reduced to a tenement heap of wreckage by the guns of the rebel army, and the inhabitants have been driven forth into the surrounding country. It is believed there were many casualties. Culliacan has also been battered into ruins by the rebels, and looting continues throughout a wide region.

Two hundred and fifty Americans are reported to be waiting for deliverance from the hands of the Mexican desperados at Topolobampo, where they have taken refuge.

Famine is staring them in the face and they are constantly harassed by the rebels. Their condition is considered serious.

Destroyers to Rescue.
SAN DIEGO, CAL., Apr. 28.—Two torpedo destroyers sent out to sea from here yesterday under sealed orders. It is supposed they are bound for the Mexican coast for the protection of American refugees.

Orozco Seeks Recognition.
WASHINGTON, D. C., Apr. 28.—A representative of Orozco called upon the State Department yesterday seeking recognition for the Mexican rebels.

Madero Contrabandists Coal.
EL PASO, TEX., Apr. 28.—Orders issued by President Madero make contraband all coal found within the borders of the country. The coal supply is alarmingly short.

Mexico Increases Army.
MEXICO CITY, MEX., Apr. 28.—The Chamber has authorized the issue of 25,000,000 pesos in treasury notes for the purpose of raising the standing army to 60,000.

POLICE KILL TAXI BANDITS.
PARIS, FR., Apr. 28.—After a running fight, which was brought to an end when the police made use of dynamite, Bonnet, chief of the famous taxicab bandits, who have been terrorizing the French capital for weeks, and his lieutenant, a fellow calling himself Dubois, were killed by the gendarmes here this afternoon. The arrest was intended as a surprise, but one of the many friends of the leaders of the bandits warned them just before the trap was sprung, and they made their escape through a rear door.

The police, however, were right on their heels, and a running fight that lasted three hours followed. Several of the policemen were seriously injured.
